

**des allemands**

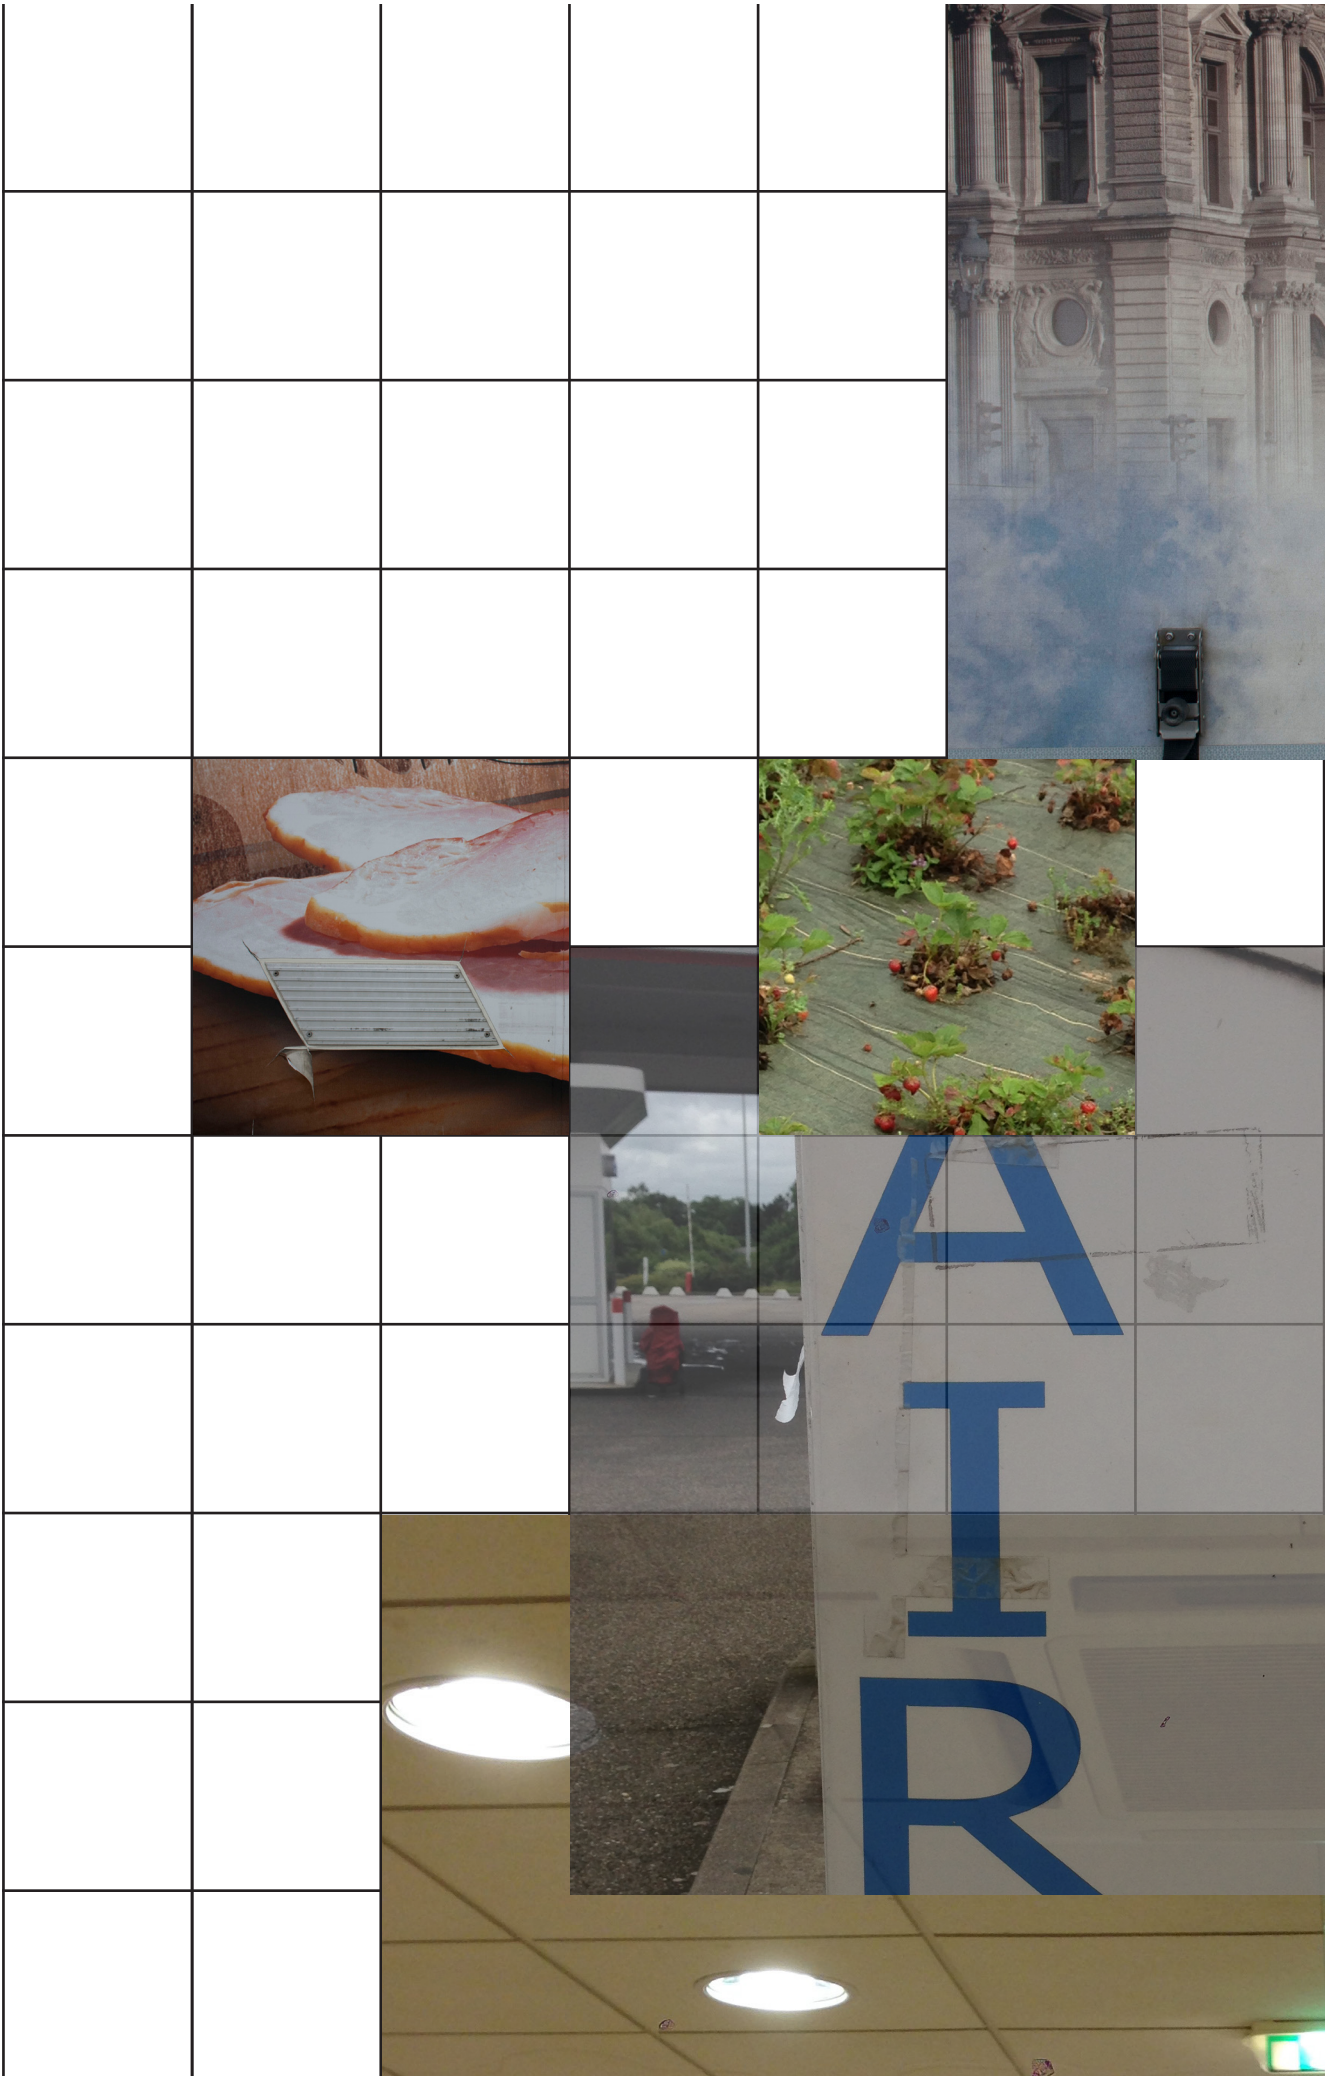

En sortant du Diamond  
Nights, je pris l'habitude  
d'aller sur la plage de  
Rodalquilar mon coupé  
Mercedes 600 SL  
roulait sur le sable  
j'actionnais la commande  
d'ouverture du toit en  
vingt-deux secondes, il se  
transformait en cabriolet.

# diesel dynamic

J'avais toujours été plutôt favorable à ce genre de choses, cela dit, je ne bandais pas.

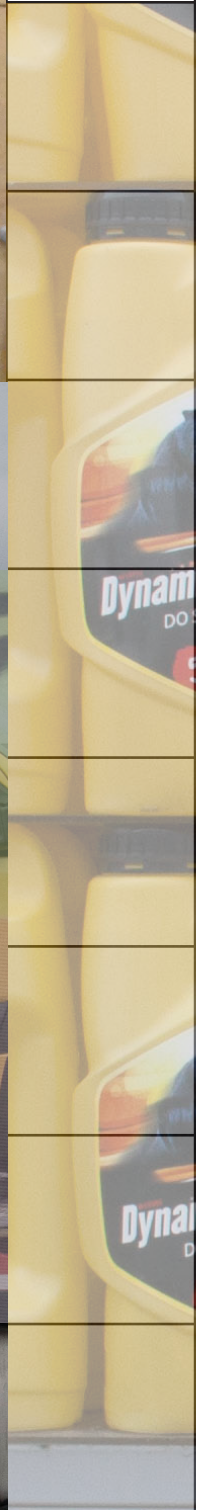

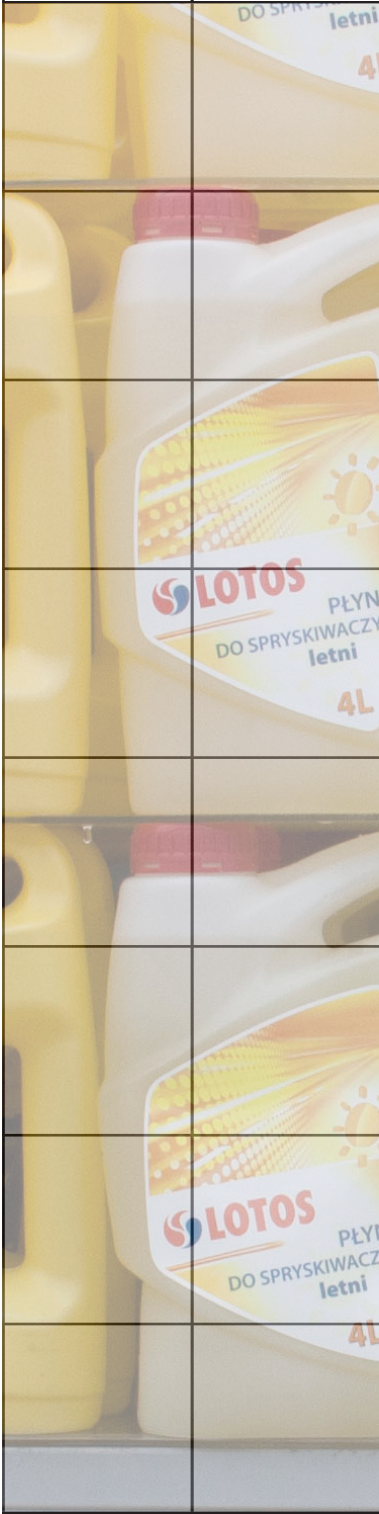

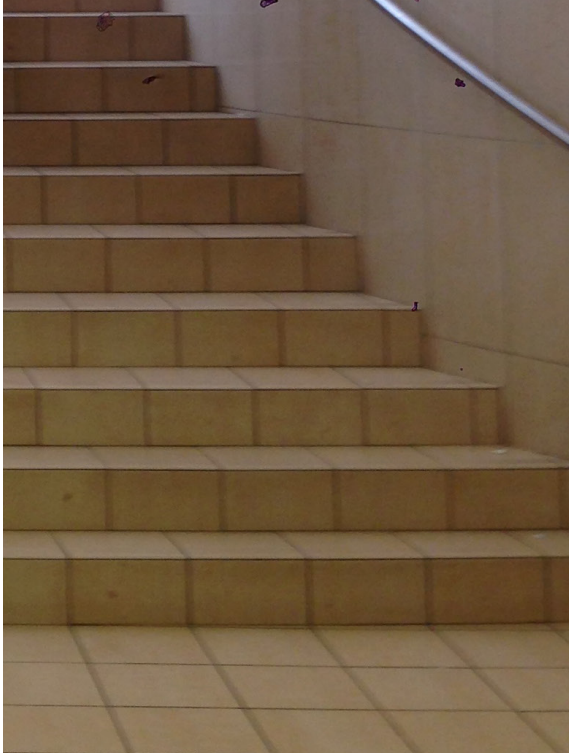

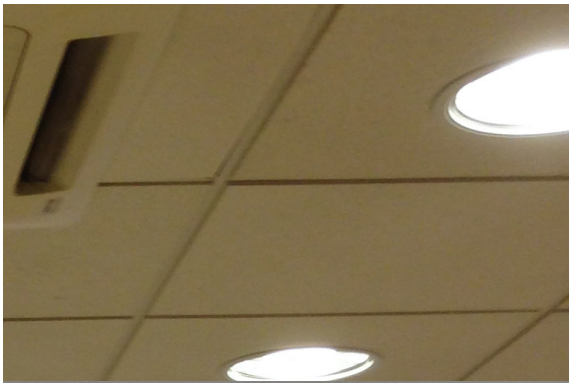

**la voilà, la carotte.**

**c'était la seule  
possibilité d'aven-  
ture qui me soit au  
fond, dans cet  
univers, offerte.**
