

Dear pyramid hunter,

I need you to be part of my project.  
I need you to send me pictures of highway  
pyramids  
(pyramid-shaped architecture, visible  
from or on the highway).  
I will first make a publication with  
the pictures you send me,  
then i'll send it to you once the project  
is over. (To get the publication, send me  
an E-mail at [benjamin.riollet@gmail.com](mailto:benjamin.riollet@gmail.com)  
the deadline is May 22 but the project  
will continue).

(Please upload only pictures you have  
done, and name the file as follow:  
«Firstname-Lastname-Buiding-Name/Type-  
Highway-City-Countrycode»)

These pictures come from the internet,  
if you go to these locations,  
you can find them and upload your pictures  
on the website.
